This is where there is opportunity to better execute (Execution/Results):

This is how that will make a difference (Strategy, Vision, Mission):

Let's discuss what performance adjustments can be made:

HOW CAN I HELP?

=====

What do you need/would you like more of? (Execution/Resources)

What do you need/would you like less of? (Execution/Resources)

What else should I know in order to help you feel successful?

THANK YOU
